▲ **Design**

For over twenty years Adden has offered beds specially designed to enhance as well as endure living, learning and healing environments.

▲ **Construction**

A variety of models are offered from solid oak to metal, from bunkable to platform, from lofting to those with underbed storage, from solid decks to sinuous spring sleep surfaces, from those durable enough to withstand intentional abuse to those designed for the specialized clinical requirements of health care providers.

▲ **Special Features**

Contemporary, transitional and traditional designs are offered for residence halls, quarters and billeting housing, mental health, human services and long term care providers

▲ **Options:**

- Numerous options and accessories are detailed in specific series details
- Complementing Mattresses and Boxsprings are offered
