Your Single Source

Graphic Encounter is your Single Source for artwork, mirrors, framing and consulting services. Since 1970 we have offered a wide range of products and services to Hospitality Industry Professionals. Supplying you with outstanding fine artwork is not all we do. In fact, it's just the beginning. We go beyond the conventional role of just an art supplier, framer or art consultant. We provide all those services under one roof which in turn helps you realize your design vision while saving you time & money, facilitating smooth project management, and ensuring the highest quality product. To learn more, select any of our products + service categories from the menu on the left.
